12 YEARS OF SUMMER FUN NIGHTS MAKING MEMORIES

We would love to be enjoying our Summer Fun Night with you again this year. Our parks and green spaces all over Cork are really important to us - now more than ever. Help us to protect them for everyone's enjoyment over the Summer Months.

Because of COVID-19 we can't meet up the way we used to this year and it also means that our emergency services are being asked to work harder to keep you safe. Let's help them out by looking after our green spaces.

This year we're encouraging you to stay indoors on June 23rd and share your safe and fun Night In with us.

THIS YEAR IS DIFFERENT : WE ARE HERE TO HELP YOU - PLEASE HELP US

Cork City Fire Services want to remind you that the burning of waste is illegal.

Burning waste in your home or garden is not only a nuisance but can release many harmful chemicals into the air you breathe and damage your health, as well as that of your children and neighbours.

Beware of illegal waste collections. Illegal waste collection is a crime and you could face fines of up to €5,000 or a prison term of up to 12 months.

It has been a tough few months for us all. This year more than ever its important that we **take care of our green spaces for everyone.**
